GOA • ROOM RENTAL & MANAGEMENT

GHAR MITRA

Your room. Your comfort.
Your Goan connection.

SMART ROOM RENTAL & MANAGEMENT SYSTEM

By Bhakti Angadi & Anjali Prasad

A local-first platform for owners and tenants

Ghar Mitra *means "a friend of the home": a companion for owners and tenants.*

A simpler way to rent a room in Goa

THE PROBLEM

Room hunting is scattered across calls, messages and social posts. Owners struggle to track requests, rent dues and maintenance.

OUR SOLUTION

Ghar Mitra brings room discovery and the rental relationship into one simple mobile app.

ONE CONNECTED RENTAL JOURNEY

Discover
Find rooms

Request
Apply to rent

Manage
Track rent

Resolve
Report issues

Built around individual rooms and long-term local renting.

Find a room. Manage your stay.

Room discovery

Browse available rooms with rent, location, photos and details.

Smart filters

Narrow choices by budget, location and room preferences.

Rental requests

Send a request and follow its status in the app.

Rent & payments

View active rentals, payment history and monthly rent reminders.

Complaints

Report maintenance problems and follow up.

Reviews & profile

Manage profile details and share rental feedback.

More control, less rental paperwork

List rooms

Add room details, rent, location and photos; manage availability.

Manage requests

Review incoming requests and accept or reject them.

Active rentals

View current tenants, room details and rental status.

Rent records

Review payment records and keep rent status organised.

Complaints & reviews

View tenant concerns and feedback in one place.

Notifications

Receive updates on rental requests and important activity.

A local need with clear user groups

Students

Need affordable rooms near colleges and transport.

Working professionals

Need convenient locations and clear rental terms.

Homeowners

Want additional income and simpler tenant coordination.

Local renters

Benefit from room-level listings rather than only full flats.

GOA RENTAL CONTEXT

Students and workers relocate for education and jobs. Homeowners may have spare rooms but need an easier way to find tenants and manage rentals.

Opportunity

Focused room rental + ongoing management

Ghar Mitra vs Rooms Hai

Feature	Rooms Hai (Nagpur)	Ghar Mitra (Goa)
Market	Nagpur, India	**Goa, India**
Main focus	Rooms, flats and PGs from direct owners	**Individual rooms plus rental management**
Finding a place	Browse listings by area, no brokerage	**Smart filters by budget, location and preferences**
Contacting the owner	Connect directly with owners	**In-app request; owner accepts or rejects**
Verification	Verified listings and users (as claimed)	**Verified listings planned on the roadmap**
Rent tracking & reminders	Not highlighted	**Paid / pending status + reminders**
Complaints & maintenance	Not highlighted	**Built in, with status updates**

Positioning: Ghar Mitra goes beyond listing rooms: it helps owners and tenants manage the rental after move-in.

Based on Rooms Hai's public app-store listing and website (Oct 2026). "Not highlighted" means not mentioned in its public description; features may vary.
